THIS AFFECTS YOUR BENEFITS

**AVAILABILITY DATES FOR YOUR
ELECTRONIC BENEFIT TRANSFER (EBT) BENEFITS**

Electronic Benefit Transfer (EBT) is a new way to receive your cash and Food Stamp benefits each month.

This is to let you know that EBT will be implemented in your area soon. You should have already received an EBT card and a Personal Identification Number (PIN) that will allow you to access your benefits at participating retailers and merchants, such as grocery stores and ATMs.

It is important to know that your cash benefits and Food Stamp benefits may not be available on the same day each month. Therefore, this is to inform you of your cash and Food Stamp benefit availability dates.

Your **cash benefits** will be available through EBT on the *[DAT002]* of each month.

Your **Food Stamp** benefits will be available through EBT on the *[DAT001]* of each month.

Please contact your Worker if you have any questions about this notice.
